**W.P.(C).Nos.13342 of 2021,
1975 & 2039 of 2022**

= = = = =

Dated this the 7th day of April, 2022

JUDGMENT

1. Heard the learned counsel for the petitioners, the learned Government Pleader, the learned standing counsel appearing for the Panchayat and the learned standing counsel appearing for the Pollution Control Board.

2. The prayers in W.P.(C).No.13342/2021 is as follows:-

- i) Issue a writ of Mandamus or any other appropriate writ orders or directions commanding to the 6th respondent to immediately revoke Exhibit-P5 Acknowledgement Certificates' crookedly issued for M/s PB Boards by Acknowledgment No. KLMSME-3929/2021 on 28/05/2021 and M/s TVM Boards by Acknowledgment No. KLMSME-3942/2021 on 30/05/2021 to set up hazardous twin plywood manufacturing units at Parambanchery, in Pothanicad Grama Panchayath, in Muvattupuzha Taluk in Ernakulam District.
- ii) To issue a Writ in the nature of mandamus directing all banks and all - other financial institutions, to abstain from issuing any loans to the respondents No. 9 to 13 based on Exhibit-P5 Certificates.
- iii) To issue a Writ in the nature of mandamus directing all the respondents 1 to 8 to initiate necessary urgent actions to shut down the proposed plywood units at Parambanchery with immediate effect."

3. While W.P.(C).Nos.1975/2022 and 2039 of 2022 are filed by M/s.P.B. Boards and M/s.TVM Boards respectively, seeking directions to extent police protection to the petitioners, their workers, vehicles etc. for developing the property for construction of buildings as permitted by the Pollution Control Board and as covered by the Acknowledgment Certificates under the Kerala Micro Small and Medium Enterprises Facilitation Act, 2019 (hereinafter referred to as the “MSME Act” for short).

4. The learned counsel for the petitioner in W.P.(C).No.13342/2021 would contend that the petitioners in the other writ petitions have obtained fraudulent Acknowledgment Certificates from the Department of Industries and Commerce for starting plywood manufacturing units in the Pothanicadu Grama Panchayat and that the emissions from the plywood units are likely to impact the immediate surroundings and adversely affect the health of the residents of the locality. It is submitted that mass representations had been submitted by the petitioners before the various authorities and that respondents 9 to 13 have managed to secure fraudulent acknowledgment certificates and that the petitioner is therefore entitled to the reliefs as sought for. With regard to

the writ petitions filed by the two partnership firms, it is contended that the partnership firms are not registered and that therefore they cannot maintain the writ petitions filed by them as W.P.(C).No.1975/2022 and 2039/2022.

5. I have considered the contentions advanced. It is an admitted fact that the petitioners in W.P.(C).Nos.1975/2022 and 2039/2022 have obtained acknowledgment certificates under the MSME Act. Section 10 of the MSME Act specifically provides as follows:-

“10. Overriding effect of this Act on other laws.---(1) The provisions of this Act shall have overriding effect, notwithstanding anything inconsistent therewith contained in any other law, for the time being in force. (2) In particular and without prejudice to the generality of the foregoing provisions of this Act, such provisions shall have effect notwithstanding anything inconsistent therewith contained in the following enactments and the provisions of these enactments shall be read as amended in conformity with the provisions of this Act, namely:-

1. The Kerala Panchayat Raj Act, 1994 (13 of 1994)
2. The Kerala Municipality Act, 1994 (20 of 1994)
3. The Kerala Shops and Commercial Establishments Act, 1960 (34 of 1960)
4. The Kerala Lift and Escalators Act, 2013 (18 of 2013)
5. Travancore - Cochin Public Health Act, 1955 (XVI of 1955)
6. Madras Public Health Act, 1939 (3 of 1939)”

The effect of acknowledgment certificates issued under the MSME Act is also specifically provided in Section 6 thereof.

6. In the above view of the matter, in view of the admitted fact that the petitioners in W.P.(C).No.1975/2022 and 2039/2022 have obtained acknowledgment certificates in terms of the Kerala Micro Small and Medium Enterprises Facilitation Act, I am of the opinion that the prayers in W.P.(C).No.13342/2021 cannot be allowed. Apart from stating that the firms are not registered, no material is placed on record in the writ petitions filed by the party respondents. The consent to establish as well as the acknowledgment certificates have been duly issued in the name of the firms and the petitioners have sued as the firms represented by its Managing Partners. The presumption is therefore, plainly that the firms are duly registered firms. In the absence of any material, I am not inclined to accept the contention that the firms are not registered and therefore cannot maintain the writ petitions. Apart from stating that the acknowledgment certificates are fraudulently obtained, there is no material produced before me except the representation submitted by the petitioner in W.P.(C).No.13342 of 2021 to

substantiate the above contention. W.P.(C).No.13342 of 2021 therefore fails and the same is accordingly dismissed.

7. There will, resultantly, be a direction in W.P.(C).No.1975/2022 and 2039/2022 that the 2nd respondent shall afford adequate protection to the petitioners in the said writ petitions to carry out the permitted activities under Exhibits P2 and P3 and shall afford adequate protection against any attack or obstruction from the party respondents or anybody claiming through them.
